

CSD Third Annual Sustainability Leadership Summit

Theme for 2025: Net-Zero – Achieving India's Targets

3rd and 4th November, 2025

- 📍 *Day 1: Location TBC*
- 📍 *Day 2: Hotel Capitol, Bengaluru*

INTRODUCTION

Why the Net-Zero Summit

India stands at a crucial juncture in its pursuit of sustainable development.

With growing climate challenges and commitments to achieve Net Zero emissions by 2070, the country is witnessing a transformative shift towards a green economy.

The Net-Zero Summit brings together leaders, teams, individuals working towards the Net-Zero commitments of the country.

Summit open for all those who wish to network with like minds!

In light of these CSD hosts an annual summit bringing together leaders across the nation and globe

PUBLICATION

A publication on "Net-Zero-Achieving India's Targets" in line with the annual event will be released on the 4th of November, 2025. The publication will cover an overview of India's net-zero commitments, articles by leading decarbonization-focused companies, activities of CSD and GSA and various other insights from Climate and Net-Zero experts.
